

THE UNIVERSITY of EDINBURGH
School of Engineering

IChemE ADVANCING
CHEMICAL
ENGINEERING
WORLDWIDE

中国颗粒学会
Chinese Society of Particology

7th UK–China International Particle Technology Forum &

UK Particle Technology Forum

will be held jointly in

Edinburgh on **28–31 July 2019**

- IChemE Young
Researcher Award
- Best Poster Award

Conference themes to include:

- ① Particle design, characterisation and measurement
- ② Particulate processes and manufacturing
- ③ Multiscale and multiphase modelling and simulation
- ④ Geotechnical and environmental applications and processes
- ⑤ Particle technology in energy engineering applications
- ⑥ Emerging technologies and novel engineering applications

IMPORTANT DATES

February 28th, 2019 → Two page abstract submission deadline

March 30th, 2019 → Notification of abstract acceptance

May 1st, 2019 → End of *early bird discounted* registration

CALL FOR PAPERS!

Extended deadline!
